

I won the maths prize at School

James Johnson-Perkins in collaboration
with Dr Conor Lawless

A collaboration between artist and mathematician expressing the beauty and wonder within mathematical structures and theories. The residency and exhibition will unveil the creation of new works that interact with the rednile *Project Space* including Lego models and complex geometric animations based on mathematical principles.

Residency: 24,25,26 Sept & 2,3,4 Oct (open to public 10-4pm)
Preview and artist talk: Fri 5 October, 5-8pm (talk at 5pm)
Exhibition dates: 6-13 Oct (10-4pm everyday)

rednile Projects Ltd. New City Building, 56 Nile Street,
